Introduction

We have reviewed the accompanying statement of standalone financial results of **M/s Alka India Limited** ("the Company") for the quarter and year ended **31st March, 2026**, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

These quarterly and annual financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our review of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) for Interim Financial Reporting, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

Scope of Review

We conducted our review in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit/review to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit/review includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. It also includes assessing the accounting principles used and significant estimates made by management. We believe that the evidence we have obtained is not sufficient and appropriate to provide a basis for an unmodified opinion, as detailed below.

Basis for Disclaimer of Opinion

We draw your attention to the following material matters which significantly impact the financial statements:

- 1. Unverified Book Profit and Revenue:** The Company has recognized an operating income of Rs. 2,50,48,102/- from the "sale of rice" against a purchase value of Rs. 1,36,47,900/- in the last quarter, resulting in a reported net profit of Rs. 17,81,781/- . However, these transactions have been recorded entirely through book entries (Journal Vouchers) without any corresponding banking transactions. Furthermore, the management has failed to provide any supporting documentary evidence such as GST returns, E-way bills, transport receipts. Consequently, we are entirely unable to verify the genuineness of these transactions.
- 2. Appropriateness of Dividend Provision:** Based solely on the unverified book profit mentioned in point 1 above, the Company has made a provision and recommendation for a dividend of Rs. 0.04 per fully paid-up equity share of Re. 1/- each. In the absence of substantiated profits or underlying cash flows, the validity and appropriateness of this dividend declaration cannot be ascertained.
- 3. Write-off of Fixed Assets:** The management has informed us that the Company currently holds no fixed assets. Accordingly, the gross value of assets and the corresponding accumulated depreciation fund have been completely written off in the books of accounts. However, no details, working papers, or documentary evidence regarding the disposal value (if any) or the authorization of the disposal of these assets were made available to us for our verification.
- 4. Non-recovery of Investments and Loans to Subsidiary:** The Company holds an investment of Rs. 469 Lacs (Rs. 4.69 Crores) in the unquoted shares of its subsidiary, M/s Vintage Fez India Private Limited, and has outstanding loans/advances of Rs. 250.48 Lacs (Rs. 2.50 Crores) extended to the same entity prior to the NCLT order. Based on our assessment, these balances are not recoverable and require to be written off. The management's failure to write off these unrecoverable amounts has resulted in a material overstatement of assets and a significant understatement of losses for the period.
- 5. Unverified Bank Balances:** The Company has not provided any details, bank statements, or independent bank balance confirmations (as required under SA 505 - External Confirmations) for the balances purportedly held with YES Bank and The Kalapur Commercial Co-operative Bank as of March 31, 2026. Therefore, we are unable to verify the existence, accuracy, and completeness of the cash and bank balances reported.

Disclaimer of Opinion

Because of the pervasive and material significance of the matters described in the "Basis for Disclaimer of Opinion" paragraph particularly the recognition of revenue entirely through unsupported journal entries, the unverified bank balances, and the failure to provide for unrecoverable investments and loans we have not been able to obtain

sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the accompanying standalone financial results of Alka India Limited for the quarter and year ended 31st March, 2026.

Emphasis of Matter

Without modifying our disclaimer of opinion above, we draw your attention to the following matters:

1. **Previous Remarks:** Our remarks from previous limited review reports regarding emphasis of matters, where relevant, continue to apply for this quarter.
2. **NCLT Handover & Management:** The Statement of Financial Results has been prepared and verified by the prevailing management (post-NCLT Order) in accordance with the Indian Accounting Standards (Ind AS). In adherence to the Approved Resolution Plan, the management and affairs of the corporate debtor were formally handed over to the Resolution Applicant. This transition, which included the appointment of new directors (post-NCLT Order) and the deemed resignation of pre-NCLT Order directors, was confirmed and recorded during the First Meeting of the Monitoring Committee held on February 18, 2025.
3. **Extinguishment of Statutory Dues:** As reported previously, outstanding income tax dues and other Central/State Government demands continue to appear on their respective government portals. However, in the Company's books of accounts as of March 31, 2026, these demands and dues have been appropriately extinguished to the extent covered by the NCLT-approved Resolution Plan.
4. **Alteration of Object Clause (Shift in Business Focus):** We draw attention to the notes to the financial results, which state that the shareholders, at their 31st Annual General Meeting held on March 23, 2026, approved a Special Resolution to alter the Object Clause of the Memorandum of Association of the Company. This amendment marks a strategic shift in the Company's primary business focus from the textile sector to the agro-commodity sector.

Management's Responsibility for the Standalone Financial Statements The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes the maintenance of adequate accounting records, safeguarding of assets, preventing and detecting frauds, application of appropriate

accounting policies, and the design and implementation of adequate internal financial controls that operate effectively. The Board of Directors is also responsible for assessing the Company's ability to continue as a going concern and overseeing the financial reporting process.

Introduction

We have reviewed the accompanying Statement of Consolidated Financial Results of **M/s Alka India Limited** ("the Parent") and its subsidiary, **Vintage FZE (India) Private Limited** (the Parent and its subsidiary together referred to as "the Group"), for the quarter and year ended **31st March, 2026**, attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

These quarterly and annual consolidated financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the Parent Company's management. Our responsibility is to express an opinion on these consolidated financial results based on our review/audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) for Interim Financial Reporting, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, and other accounting principles generally accepted in India.

Scope of Review

We conducted our review in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit/review to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. It also includes assessing the accounting principles used and significant estimates made by management. We believe that the evidence we

have obtained is not sufficient and appropriate to provide a basis for an unmodified opinion, as detailed below.

Basis for Disclaimer of Opinion

We draw your attention to the following material matters which significantly impact the consolidated financial statements:

- 1. Unaudited Subsidiary Financials:** The consolidated financial results include the financial results of the subsidiary, **Vintage FZE (India) Private Limited**. We did not receive the audited financial results or other financial information for this subsidiary for the quarter and year ended March 31, 2026. The Parent Company's management has provided only unaudited financials for the subsidiary. Consequently, our report on the Consolidated Financial Results, as it pertains to the subsidiary's amounts and disclosures, relies solely on the unverified information furnished by the management. We are unable to ascertain the accuracy, completeness, or true fair value of the subsidiary's assets and liabilities.
- 2. Unverified Book Profit and Revenue (Parent Company):** The Parent Company has recognized an operating income of Rs. 2,50,48,102/- from the "sale of rice" against a purchase value of Rs. 1,36,47,900/- in the last quarter. However, these transactions have been recorded entirely through book entries (Journal Vouchers) without any corresponding banking transactions. The management has failed to provide supporting documentary evidence such as GST returns, E-way bills, transport receipts. Consequently, we are entirely unable to verify the genuineness of these transactions.
- 3. Appropriateness of Dividend Provision:** Based solely on the unverified book profits mentioned above, the Parent Company has made a provision and recommendation for a dividend of Rs. 0.04 per fully paid-up equity share of Re. 1/- each. In the absence of substantiated profits or underlying cash flows, the validity and appropriateness of this dividend declaration cannot be ascertained.
- 4. Write-off of Fixed Assets:** The management has informed us that the Parent Company currently holds no fixed assets, leading to the complete write-off of the gross value of assets and accumulated depreciation fund. However, no details, working papers, or documentary evidence regarding the disposal value or authorization were made available for our verification.
- 5. Unverified Bank Balances:** The Group has not provided any details, bank statements, or independent bank balance confirmations (as required under SA 505 - External Confirmations) for the balances purportedly held with YES Bank and The Kalapur Commercial Co-operative Bank Bank as of March 31, 2026. Therefore, we are unable to verify the existence, accuracy, and completeness of the cash and bank balances reported.

Disclaimer of Opinion

Because of the pervasive and material significance of the matters described in the "Basis for Disclaimer of Opinion" paragraph particularly the reliance on unaudited subsidiary

financials, the recognition of revenue entirely through unsupported journal entries in the Parent, and the unverified bank balances we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the accompanying Consolidated Financial Results of Alka India Limited for the quarter and year ended 31st March, 2026.

Emphasis of Matter

Without modifying our disclaimer of opinion above, we draw your attention to the following matters:

1. **Previous Remarks:** Our remarks from previous limited review reports regarding emphasis of matters remain applicable for this quarter as well.
2. **NCLT Handover & Management:** The Statement of Financial Results has been prepared and verified by the prevailing management (post-NCLT Order) in accordance with the Indian Accounting Standards (Ind AS). In adherence to the Approved Resolution Plan, the management and affairs of the corporate debtor were formally handed over to the Resolution Applicant. This transition, which included the appointment of new directors and the deemed resignation of pre-NCLT Order directors, was confirmed and recorded during the First Meeting of the Monitoring Committee held on February 18, 2025.
3. **Extinguishment of Statutory Dues:** As reported previously, outstanding income tax dues and other Central/State Government demands continue to appear on their respective government portals. However, in the Parent Company's books of accounts as of March 31, 2026, these demands and dues have been appropriately extinguished to the extent covered by the NCLT-approved Resolution Plan.
4. **Alteration of Object Clause (Shift in Business Focus):** As per the notes to the financial results, the shareholders of the Parent Company, at their meeting held on March 23, 2026, approved the alteration of the Object Clause of the Company, resulting in a strategic shift in its business focus from the textile sector to the agro-commodity sector.
5. **Disinvestment in Subsidiary:** We draw attention to the notes to the consolidated financial results, which state that the Parent Company holds 71.34% of Vintage FZE (India) Private Limited. The shareholders of the Parent Company, at their meeting held on March 23, 2026, have formally approved the disinvestment in this subsidiary company.

Management's Responsibility for the Consolidated Financial Statements The Parent Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, loss/profit (including other comprehensive income), changes in equity, and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes the maintenance of adequate accounting records,

safeguarding of assets, preventing and detecting frauds, application of appropriate accounting policies, and the design and implementation of adequate internal financial controls that operate effectively. The Board of Directors is also responsible for assessing the Group's ability to continue as a going concern and overseeing the financial reporting process.
